Preface

This booklet is a supplemental text for the Symbolic Logic (PL 208 and MA 195) course at Juniata College. It was prepared in Summer 2000 based on the Spring 2000 and Summer 2000 versions of the course.

The course is based on the following textbook (and its bundled software Tarski’s World 4.1):

Class notes, Quizzes, and Tests: Xinli Wang, Ph.D.
Problem Solutions and Compilation: Doug Hogan, Class of 2002

Send corrections or comments via email to hogandj8@juniata.edu or wang@juniata.edu with the subject line PL 208 Solutions Guide.
